

## 2024-25 IMPERIAL VALLEY COLLEGE ADVANCED PLACEMENT CHART

Students may earn college credit using Advanced Placement (AP) exams with scores of 3, 4, or 5. AP credit can be used to fulfill IGETC, CSU GE, AA-T/AS-T, and A.A./A.S. general education (GE) and/or major requirements. In order to earn college credit students must send an official AP Score Report from The College Board to the IVC Admissions and Records Office. AP Score Reports are requested online at <https://apscore.collegeboard.org/scores/>

Course credit and units granted at Imperial Valley College may differ from course credit and units granted by a transfer institution.

A student earning AP credit and completing an equivalent IVC course will have the unit course credit for the duplicated course deducted prior to the awarding of an associate degree.

The awarding of AP credit for an AA-T/AS-T when an IVC course award is indicated for an exam will follow the IVC course award for the major and the CSU GE or IGETC area. The units earned by the IVC course award will apply toward the required 60 CSU transferable units. When no IVC course award is indicated use the CSU GE or IGETC area and unit award for the general education pattern and the IVC unit award toward the required 60 CSU transferable units.
