+IB exam may be used in either area regardless of where the certifying CCC's discipline is located.

- Only Higher Level (HL) exams are considered for credit; credit is not awarded for Standard Level (SL).
- Students who have earned credit from an IB exam should not take a comparable college course because transfer credit will not be granted for both.
- Credit may not be awarded for exams which duplicate credit for the same content earned through other means, such as CLEP.
- Transfer students should consult the IB credit policy of the desired transfer institution for additional information.
