I. Why?.....The tracheotomy!

II. They will never dissect it!

III. They will never trace the path of the bullet!

4. The back wound:

A) They never dissect it!

B) They never trace the path of the bullet!

C) F.B.I. Agents present say it has an angle of 45 to 60 degrees.

D) Finck says the wound has no source of exit!

E) Later – Trial of Clay Shaw – Humes is asked why he doesn't trace the paths of the bullets in the back and throat:

**I. "I was ordered by someone in the room not to!"
(1) Why? And by whom?**

5. The doctors who perform the autopsy:

A) All 3 are forbidden to talk...Why? And by whom?

B) Humes burns his 1st set of notes!

I. Why?

6. The pictures of the autopsy are never seen by the Warren Commission.....Why??

7. Certain photographs and x-rays of the autopsy have disappeared.....By who? And why?

8. JFK's brain was KEY evidence:

A) Has disappeared.

B) Who? And why?

9. Of the autopsy...Dr. Milton Halpern says:

A) A 2nd year medical student could have done a better job!

B) It failed to provide the detailed information to settle beyond any doubt the number and directions of the bullets fired that killed the President!

(November 29, 1963)

1. President Lyndon B. Johnson creates “The Warren Commission.”

2. Purpose.....Find out all the facts surrounding the assassination:

A) Instructions are to find the solution and find it fast!

3. The Commission:

A) Headed by Chief Justice of the Supreme Court, Earl Warren:

I. Asked by LBJ.

II. Doesn't want the job...LBJ insists...Agrees.

B) Representative, Gerald Ford – Michigan.

VI. His family's lives are in danger in Dallas.

VII. Warren's life is in danger in Dallas.

C) Warren tells him he'll have to think it over.

D) Ruby replies:

I. Will not see him again.

II. Certain people don't want the truth to come out.

(The Warren Commission)

1. Fact...On November 12, 1963...Decision is made to motorcade through Dallas and have lunch at the Trade Mart:

A) YET, the Warren Commission says:

I. As of October 14, 1963...When Oswald goes to work in the Depository.

II. He is plotting the assassination!!??

2. The Texas School Book Depository:

A) 7 story brick building.

B) Corner of Houston and Elm Streets in Dealey Plaza.

C) The 6th floor is strictly for storage.

D) There is no elevator from the front of the building that goes to the 6th floor:

I. Have to take the elevator to the 4th floor.

II. Walk to the back of the building.

III. Take the stairs or one of the 2 freight elevators to the 6th floor.

E) Translation...The 6th floor is extremely poor for a "get-away!"

F) The building...To shoot from...Ideal:

I. Can see where Main Street turns onto Houston Street.

II. Can see where Houston Street turns onto Elm Street.

III. Can see the path to the triple underpass

IV. Can see all the way to the Stemmons Freeway.

3. September 24, 1964 – The Warren Commission disbands.....Issue their final findings in “The Warren Commission Report”:

A) Lee Harvey Oswald acts alone in killing JFK!

B) Reasons?

I. Obscure.

II. He is deranged.

C) Oswald fires 3 shots.....190 feet from JFK's car.

D) Fires from the 6th floor, southeast window, of the Texas School Book Depository.

E) 1st shot...Hits JFK in the back, exits his throat, and wounds Connally.

F) 2nd shot...Misses the car.

G) 3rd shot...Hits JFK in the head...Killing him.

H) Oswald goes on later to kill Police Officer, J.D. Tippit.

I) Jack Ruby shoots and kills Oswald out of some obscure irrational reason.

4. Facts about the Commission:

A) Will meet in 51 sessions!

B) Most of the member don't hear 1/2 of the evidence!

C) McCloy only attends 16 of the sessions!

D) 43% of their time has been spent on hearing testimony about Oswald's background!!!

E) The F.B.I. & C.I.A. withhold evidence from them!

- F) Will ask the C.I.A. about any connection between Oswald and Ruby:**
- I. No reply!!**
 - II. Commission doesn't follow up!....Why??**
- G) Will ask the C.I.A. if they have had any connection with Oswald and Ruby:**
- I. No reply!!**
 - II. Commission doesn't follow up!....Why?**
- H) Will never examine x-rays or photographs of the autopsy!!.....Why??**
- I) Why does the Commission not include a distinguished lawyer, historian, or psychiatrist?**
- J) Will use justice in reverse!!!**
- I. Give a conclusion...Then, make the evidence fit the conclusion!**
 - II. Will explain the crime.....NOT, solve it!!**
 - III. Take the suspect and construct the "facts" to fit him!**
 - IV. Use a junior staff that produces an answer in a hurry...Why?...In the name of "national interest."**
- K) According to their findings:**
- I. Bullets pause in mid-air.**
 - II. Bullets make 90 degree turns to the right in mid-air.**
 - III. A poor marksman can do what an expert cannot.**
 - IV. Newton's laws stop working on November 22, 1963.**
 - V. A man can be in 2 places at the same time.**

VI. Atoms are able to change their structure.

VII. Almost everything in life is coincidence.

VIII. Men of integrity are...Liars!

IX. Liars are...Men of integrity!

L) The Report:

I. Sloppy – Pathetic – and Self-Contradictory:

(1) It's a wonder anybody ever believed it!!

M) The F.B.I. turns over the famous "Zapruder Film" to the Commission:

I. Certain frames have been edited out!

II. Certain key frames have been damaged!

III. 2 crucial frames have been reversed...Why??

(1) To make it APPEAR the head shot throws JFK's head forward and then back!!!!!!

a. Why would this be done?....To fit the single assassin from behind theory!

N) Many witnesses who testify before the Commission:

I. After...Are told by Dallas Police or Federal Officials to keep their mouths shut and not talk to anybody!

(1) Why????

5. 1965 – Gerald Ford: "The monumental record of the President's Commission will stand like a Gibraltar through the ages to come."

6. Aftermath of the Commission:

A) Richard Russell, Hale Boggs, and John Sherman Cooper never believed in the "magic bullet theory":

I. YET, Gerald Ford believed it totally!!

B) Russell and Boggs sign the report...BUT:

I. Do not totally agree with the findings.

C) Russell never believed Oswald acted alone:

I. September 8, 1964.

II. Tells the Commission to place an asterick next to his name.

III. Noting he does not agree with the findings.

IV. IT IS NOT PLACED THERE:

(2) Breaks with his old friend...LBJ!

(3) Never speaks to him again.

(4) Russell dies 26 months later of lung cancer.

(Shots and Bullets Striking JFK)

1. Is facing forward when the 1st bullet hits him:

A) At this point he is hidden from the Depository by the branches of a tree:

I. MOST likely the 1st bullet to strike him hits him in the back:

(1) Secret Service Agent in the car behind sees him hit about 4 inches down from the right shoulder.

B) 2nd bullet to strike him hits him in the throat.

C) 3rd shot....Odds are....Misses the car.

D) 4th shot....Same time as 3rd shot....Hits Connally.

E) JFK starts leaning forward and to his left toward his wife.

F) Head is struck....From the FRONT....Explodes:

I. He is lifted and thrown violently backward and to the left by the impact of the bullet.

II. Head is thrown BACK and to the left at the rate of 100.3 feet per second:

(1) How in God's name does that shot come from the REAR?????

G) Marilyn Sitzman....Witness....15 feet from the car:

I. Sees his head hit to the front and above the ear.

H) Motorcycle Officer, James Chaney....At the right rear fender of JFK's car:

I. Sees him hit almost in the face, from the front.

- I) Motorcycle Officer, Bobby Hargis....Left rear fender of the car:
 - I. Splattered with brain tissue and blood.**
 - II. Believes the head shot comes from the front.****
- J) Large portion of JFK's skull flies to the left and rear of the car.**
- K) 2nd chunk of skull flies directly over the trunk to the rear of the car:
 - I. Lands on the south side of Elm Street....Will be found the next day.****
- L) Bullet that strikes his head:
 - I. Doesn't react like a high velocity lead jacketed bullet that would have been fired from "Oswald's rifle."**
 - II. DOES react like a hollow point or soft-nosed bullet that disintegrates on contact.****

(JFK's Wounds)

1. Back:

- A) 5 & 3/8's inches below the top of the collar.**
- B) 1 & 3/4 inches to the right of the spine.**
- C) Trajectory....45 to 60 degrees downward.**
- D) Hole....1 to 2 knuckles in depth....Seems to stop.**
- E) No point of exit.**
- F) Bullet is never located in the body.**
- G) Commission says it exits the throat and wounds Connally.**

2. Throat:

- A) Hole is half the diameter of a pencil.**
- B) By itself....Would not have been fatal.**
- C) Enters the trachea just below the Adam's Apple:**
 - I. Point of his necktie knot.**
- D) Angles downward into the right lung.**
- E) 6 Parkland doctors all diagnose it as an entrance Wound:**
 - I. These doctors deal with multiple gunshot wounds per day.**
 - II. They know the difference between an entrance and an exit wound.**
- F) YET, the Commission says it's an exit wound!!??!**
 - I. Bullet that hits JFK in the back!!??**
 - II. Goes on to wound Connally!!??**

3. Head:

A) 1/3 of his brain is blown away.

B) The right rear portion of the brain is gone.

C) Doctors at Parkland:

I. Shot at the right frontal side of the head.

II. Blows open the rear of the skull.

III. Causes a massive exit wound at the back of the skull.

IV. Brain tissue sticks out of the skull.

(John Connally)

1. Connally – To the day he dies – Says he was not hit by the first bullet to hit JFK:

A) Hears the 1st shot.

B) Hears JFK say: “I’m hit.”

C) Looks over his right shoulder.

D) Starts to turn back to his left.

E) Is hit!!

F) Says: “Oh my God, they’re going to kill us all.”

G) His first impression...Either 2 or 3 people firing.

H) Bullet enters his back under the right armpit:

I. 27 degree angle.

II. Entrance wound is 1.5 centimeters in size.

III. Tears out 5 inches of his 5th rib.

IV. Collapses his right lung.

V. Exits below his right nipple....Wound is 5 centimeters in size.

VI. Enters his right wrist.

VII. Shatters the wrist into compound fractures.

VIII. Exits.

IX. Enters his left thigh.

2. The Zapruder Film verifies Connally’s story:

A) He is hit 13 frames, or 1.6 seconds after JFK is hit.

B) Meaning???

I. Has to be at least 2 people firing!!!

C) Why at least two???

I. Time span between shots!

**II. Amount of time it takes to operate the bolt on
Oswald's rifle for a second shot is 2.3 seconds!!!!!!**

**3. Connally's clothing is cleaned and pressed before
being examined as evidence....Why???**

4. One bullet misses the car FOR SURE:

A) Hits the concrete curb in front of James Tague:

I. He is in front of the car.
